

Mefoh[®]

HEALTHCARE

Mindful healing through herbs...

The organization that offers a comprehensive range of services starting from formulation development to market launch all en suite.

Certified by ISO, HALAL and licensed by Ayush- ensures quality products are aligned with compliances.

About Us

Mefoh Healthcare offers private labeling and custom formulations for your brand working in herbal syrups, capsules, tablets, juices and personal care (herbal cosmetics). We have a strong team of skilled, experienced, trained, and dedicated professionals. We are committed to manufacturing top-quality products through constant innovation, timely commitments, and a focus on delivering outstanding values to our customers and business associates. We believe in consistent, steady growth; and therefore, continuously check and improve our quality standards at all stages of production. With our priority to develop quality formulations, we take special care in choosing the ingredients used.

Our advanced machinery and hygienic work environment make us capable of delivering high-quality products. We also offer complete services under one roof, giving clients long-lasting relationships and trust.

Mission

To translate rich heritage of Indian into modern world class Health Care & Personal Care products. To serve its customers worldwide and provide them the best quality at the most reasonable prices.

Vision

To serve millions of lives, with a high sense of responsibility & integrity. To build modernized facilities and continuous upgrading to cater to the needs of Indian / Global customers.

Belief

We believe in integrity and discipline with effective management control to manufacturing quality products consistently and achieve consumer satisfaction.

Strength

Our dedication to our clients has always been greatest strength which has lead to our unwavering growth over the past years.

Our Founders

Ms. Prerna, a successful entrepreneur, is involved in pharmaceuticals field for over 8 years. Her family has served Herbal healthcare sector from past 3 decades. Her visionary leadership will drive the company ahead.

Mr. Ronit Goyal is an experienced professional with a demonstrated history of working in the Health, Wellness & Cosmetic industry. His active participation and rich contribution will be instrumental in company success.

These seasoned and experienced professionals have come together and built a team with qualified professionals in the field of marketing, finance, production, R&D and other operational areas. Along their journey, they gained fresh perspectives and have constantly redefined their goals. With the Indian health industry evolving at a rapid pace, they identify the need to bring Authentic High quality Ayurvedic Products by meticulously merging ancient Ayurveda & modern science. This gave birth to "Mefoh Healthcare".

Message from Founders

Success is Not Final, Failure is Not Fatal: It is the Courage to Continue that Counts. Once one milestone is achieved; there is always another one waiting to be conquered....

In today's fast paced world where everyone is on a constant run, if you want to get ahead of the pack you should be dedicated, prepared, flexible to changes and never lose sight of the long-term goals. Looking ahead, we are determined to achieve our goal of becoming a force in affordable, niche mankind solutions. And to do this; we will continue to follow the highest standards of transparency, accountability, professionalism, social responsiveness and ethical business practices. We will make our best endeavor to contribute in the dynamic Ayurvedic industry; channelize the energy, leveraging our collective strength to bring change & discover new pathways by sharing ideas, communicating, collaborating to bring advancement. Mefoh healthcare has a robust infrastructure backed by a versatile platform and experienced team. Quality assurance protocols and quarterly training for all team members is administered at all levels.

We are confident in our ability to deliver long term benefits to our customers by identifying their specific needs, translating them into Quality products and providing dependable after-sales service. The journey is never ending but with the encouraging support of our team, associates, business partners and most importantly valued customers; the company will continue to scale milestones of excellence for years to come.

Assuring you of our best services,
Co-founders

APTIZON

Each 5 ml contains extracts of following :

Flavoured Syrup Base	q.s.

Preservatives : Sodium Methyl Paraben & Sodium Propyl Paraben

INDICATIONS :

- Rheumatoid arthritis,
- Arthritis and edematous condition
- Gout and joint pain
- Hyperuricemia
- Swelling and stiffness

BENEFITS :

- It maintains uric acid level in normal range.
- It has anti inflammatory properties
- Reduces pain related to Gouty arthritis.
- It helps flush toxins
- Regulates proper urination and pacifies the burning sensation.

Dosage : 5-10ml twice a day or as directed by the physician.

CONTROLS URIC ACID NATURALLY

CAPSULES

BONOFIX

Each 500mg capsule contains extracts of following:
 Hadjod (*Cissus quadrangularis*) St. 400 mg
 Ashwagandha (*Withania somnifera*) Rt. 100 mg

INDICATIONS :

- Inflammation of the joints.
- Osteoarthritis.
- Excessive pain in joints
- Low calcium level
- Swelling of hands and feet
- Shoulder & Elbow Joint pain
- Wrist, Hip & Knee Joint pain

BENEFITS :

- Hadjod might help manage the symptoms of Rheumatoid
- Maintains the level of Calcium and magnesium.
- Slowdown the process of degradation of joints.

Dosage : 1-2 capsule daily or as directed by the physician.

SUPPORTS BONES & JOINTS

CARDIC

Each 500mg capsule contains extracts of following:

FOR VIGOUR , VITALITY & STRENGTH

SINGLE HERBS CAPSULES

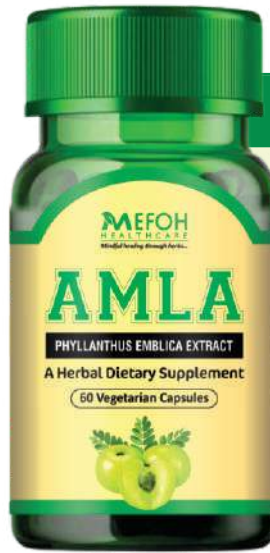

ASHWAGANDHA

Each 500mg capsule contains	
Ashwagandha (<i>Withania somnifera</i>) Extract	500 mg

BENEFITS

- It provides energy, immunity & strength
- Strong Aphrodisiac
- Boosts Fertility and Testosterone Levels in Men
- Aids in improving vitality and fertility
- Malnutrition
- Increases Muscle strength
- Sharpens focus & memory
- Natural Cure for vitiligo
- Supports heart health
- Maintains healthy weight
- Reduce cortisol level
- Relieves arthritis & related pain
- Rejuvenate mind
- Improves Thyroid Function

Dosage : One capsule twice a day after meals or as directed by the physician.

AMLA

Each 500mg capsule contains	
Amla (<i>Phyllanthus Emblica</i>) Extract	500 mg

BENEFITS :-

- Helps improve cerebral blood flow (memory function)
- Promotes immune function
- Enhances liver health
- Improves digestion and gut health
- Increase hair growth
- Possess anti-inflammatory properties
- Maintains blood pressure
- Improves eye vision
- Keeps skin healthy and glowing
- Improves memory

Dosage : One capsule twice a day after meals or as directed by the physician.

ARJUNA

Each 500mg capsule contains	
Arjuna (<i>Terminalia arjuna</i>) Extract	500 mg

BENEFITS :-

- Maintains (CVS)
- Maintains healthy blood pressure
- Promotes normal urinary function
- Aids Digestion
- Balance excess kapha and pitta in lungs
- Manage diabetes
- Powerful antioxidant
- Maintains healthy level of cholesterol
- Natural treatment for dysentery and diarrhea.
- Improving muscle function
- Fights lipid disorder

Dosage : One capsule twice a day after meals or as directed by the physician.

BRAHMI

Each 500mg capsule contains	
Brahmi (<i>Bacopa Monnieri</i>) Extract	500 mg

BENEFITS :-

- Relieves mental stress
- Boosts memory
- Promotes restful sleep
- Reduce fatigue /anxiety
- Promotes hair growth & strength
- Improves cognitive abilities
- Strengthens immune system
- Pacifies kapha and pitta doshas

Dosage : One capsule twice a day after meals or as directed by the physician.

CURCUMIN

Each 500mg capsule contains	
Curcumin (<i>Curcuma longa</i>) Extract	500 mg

BENEFITS :-

- Promotes digestion
- Has anti-inflammatory properties
- Detoxifies the liver
- Helps control diabetes
- Improve skin condition (psoriasis, eczema) etc.
- Natural analgesic and antiseptic
- Natural blood purifier
- Helps in wound healing
- Builds immunity
- Promotes youthful glow
- Protects heart disease
- Aids digestion

Dosage : One capsule twice a day after meals or as directed by the physician.

FLAX SEED

Each 500mg capsule contains	
Flax Seed (<i>Linum usitatissimum</i>) Extract	500mg

BENEFITS

- Great source of Omega-3
- Mood enhancing
- Great source of fiber
- Antioxidant rich
- Keep yours heart healthy
- Lowers blood pressure
- Promotes healthy joints
- Promotes healthy digestion
- Promotes strong hair
- Helps in weight control
- Improves digestion

Dosage : One capsule twice a day after meals or as directed by the physician.

GARCINIA CAMBOGIA

Each 500mg capsule contains	
Vrikshamla (<i>Garcinia Cambogia</i>) Extract	500 mg

BENEFITS :-

- A natural metabolism booster
- Appetite suppressant
- Anti obesity properties
- Manages cholesterol & Diabetes
- Powerful antioxidant
- Has anti inflammatory & analgesic properties
- Increase Serotonin
- Promotes weight loss

Dosage : One capsule twice a day after meals or as directed by the physician.

GREEN TEA

Each 500mg capsule contains	
Green Tea (<i>Camellia sinensis</i>) Extract	500mg

BENEFITS :-

- Burn fat & reduce weight (reduce body fat)
- Increase the metabolism
- Boosts up Immunity
- Prevents heart disease
- Helps lowering blood sugar
- It has antiaging Property
- Good for skin and hair

Dosage : One capsule twice a day after meals or as directed by the physician.

GRAPE SEED

Each 500mg capsule contains	
Grape Seed (<i>Vitis Vinifera</i>) Extract	500 mg

BENEFITS :-

- Improves eyesight
- Heals wounds (antiseptic property)
- Improves collagen levels and bone strength
- Anti-ageing effect
- Ensure heart health
- Prevent skin disorders
- Improves blood flow
- Reduces oxidative damage
- Improves kidney function
- Helps in weight loss

Dosage : One capsule twice a day after meals or as directed by the physician.

GILOY

Each 500mg capsule contains	
Giloy (<i>Tinospora cordifolia</i>) Extract	500mg

BENEFITS :-

- Natural immunity booster
- Rich in antioxidant
- Alleviates anxiety & stress
- Improves vision
- Strengthens liver function
- Manages fever

Dosage : One capsule twice a day after meals or as directed by the physician.

GOKHRU

Each 500mg capsule contains	
Gokhru (<i>Tribulus terrestris</i>) Extract	500 mg

BENEFITS :-

- Beneficial for Kidney stone
- Boosting testosterone power
- Diuretic activity
- Helps cure heart problems
- Treats skin ailments
- Act as body stimulant
- Enhance body energy level

Dosage : One capsule twice a day after meals or as directed by the physician.

GARLIC

Each 500mg capsule contains	
Garlic (<i>Allium sativum</i>) Extract	500mg

BENEFITS :-

- Cough relief
- Aphrodisiac
- Maintains blood sugar levels
- Treats high cholesterol level.
- Inhibits bacterial growth
- Prevents fungal growth
- Boosts metabolism
- Reduces acne
- Improves bone health
- Aids digestion
- Good for diabetes
- Promotes gut health / antimicrobial

Dosage : One capsule twice a day after meals or as directed by the physician.

SINGLE HERBS CAPSULES

MORINGA

Each 500mg capsule contains	
Moringa (<i>Moringa oleifera</i>) Extract	500 mg

BENEFITS :-

- Detoxification
- Great for joint pain
- Normalizes blood sugar
- Appetite suppressant
- Stimulates hair growth
- Strengthens immune system
- Treats anemia & Sickle cell disease
- Eliminates constipation

Dosage : One capsule twice a day after meals or as directed by the physician.

MULETHI

Each 500mg capsule contains	
Mulethi (<i>Glycyrrhiza glabra</i>) Extract	500 mg

BENEFITS

- Combats digestive issues
- Helps in weight reduction
- Promotes oral health
- Boost immunity
- Boost memory
- Prevents diabetes
- Soothes inflammation
- Treats chronic fatigue
- Minimize the blemishes

Dosage : One capsule twice a day after meals or as directed by the physician.

MANJISTHA

Each 500mg capsule contains	
Manjistha (<i>Rubia cordifolia</i>) Extract	500 mg

BENEFITS :-

- Blood purifier
- It cures pitta imbalance
- Helps overcome skin hyper pigmentation (varnakiti)
- Aids with skin problem like acne, eczema (kushitaisarpahar)
- Filled with antibacterial properties
- Detoxifies the body
- Excellent blood purifier (pakaladoshahara)
- Reduces inflammation (shothhar)
- Eliminates toxins (vishahar)
- Promotes healing (vrana-ropana)

Dosage : One capsule twice a day after meals or as directed by the physician.

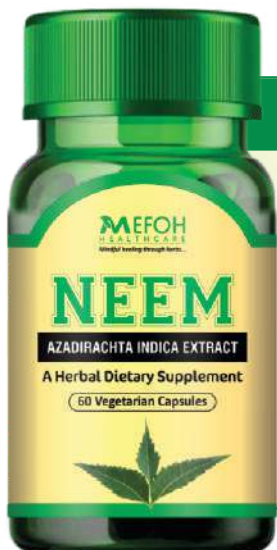

NONI

Each 500mg capsule contains	
Noni (<i>Morinda citrifolia</i>) Extract	500 mg

BENEFITS :-

- Causes arthritis and muscle spasms
- Powerful antioxidant
- Aids weight loss
- Immunity booster
- Improves digestion and gut health
- Boosts energy
- Improves sleep quality
- Provides youthful glow
- Potent detoxifier
- Maintains cardiovascular system

Dosage : One capsule twice a day after meals or as directed by the physician.

NEEM

Each 500mg capsule contains	
Neem (<i>Azadirachta indica</i>) Extract	500 mg

BENEFITS :-

- It keep infections at bay
- Acid in healing intestinal worms
- Cure fever and stomach ulcers
- Treats dental cavities (strengthen gum)
- Ease cough phlegm
- Good for acne healing
- Prevent grey hair dandruff
- Anti poisonous, anti malarial
- Soothes insect bite

Dosage : One capsule twice a day after meals or as directed by the physician.

PUNARNAVA

Each 500mg capsule contains	
Punarnava (<i>Boerhavia diffusa</i>) Extract	500 mg

BENEFITS :-

- Improves & support kidney function
- Balances tridasha
- Reduces inflammation
- Prevents bloating
- Improves cardiac health
- Increase Haemoglobin level in blood
- Aids in digestion
- Prevents urinary disorders

Dosage : One capsule twice a day after meals or as directed by the physician.

SINGLE HERBS CAPSULES

SHATAVARI

Each 500mg capsule contains	
Shatavari (<i>Asparagus racemosus</i>) Extract	500 mg

BENEFITS :-

- Rich in saponin, glycosides, alkaloids
- Reduces irritability, bloating and mild cramping
- Reduces stress and anxiety
- Supports female reproductive system
- Maintain hormone levels
- Ease menopausal symptoms
- Increase milk production in lactating mothers

Dosage : One capsule twice a day after meals or as directed by the physician.

SAFED MUSLI

Each 500mg capsule contains	
Safed Musli (<i>Chlorophytum borivilianum</i>) Extract	500 mg

BENEFITS :-

- Strong aphrodisiac
- Increase libido
- Improves sperm count
- Decrease weakness
- Stress & anxiety relief
- Immunity support
- Muscle & strength building
- Reproductive health support
- Enhances testosterone level
- It has spermatogenic & ovogenic effects
- Aids in improving vitality and fertility

Dosage : One capsule twice a day after meals or as directed by the physician.

SHILAJIT

Each 500mg capsule contains	
Shilajit (<i>Asphaltum punjabianum</i>) Extract	500 mg

BENEFITS :-

- Increases cognitive function
- Enhances testosterone level (strong aphrodisiac)
- It has spermatogenic & ovogenic effects
- Reduces blood sugar & improve lipid production
- Has anti aging effect
- Infertility & Impotency

Dosage : One capsule twice a day after meals or as directed by the physician.

SPIRULINA

Each 500mg capsule contains	
Spirulina (<i>Arthrospira platensis</i>) Extract	500 mg

BENEFITS :-

- Rich in iron magnesium
- A great immune system booster
- Balances body PH level
- Regulates blood pressure
- Eliminates heavy metals in the body
- Lowers blood cholesterol level
- Reduces food craving & insulin intake
- Alleviates sinus issues
- High in protein

Dosage : One capsule twice a day after meals or as directed by the physician.

SHALLAKI

Each 500mg capsule contains	
Shallaki (<i>Boswellia serrata</i>) Extract	500 mg

BENEFITS :-

- Has potent anti-inflammatory properties
- Helps maintain joint flexibility and mobility
- Soothes soft tissues of joints
- Helps relieve pain and inflammation
- Supports normal functioning of joints
- Promotes natural healing
- Relieves joint pain
- Antiseptic & astringent property

Dosage : One capsule twice a day after meals or as directed by the physician.

SEA BUCKTHORN

Each 500mg capsule contains	
Sea Buckthorn (<i>Hippophae rhamnoides</i>) Extract	500 mg

BENEFITS :-

- Boosts immunity
- Supports heart health
- Heals acne scars
- Treats stomach ulcer
- Controls blood sugar
- Reduce inflammation
- Improves digestion
- Enhances eye vision

Dosage : One capsule twice a day after meals or as directed by the physician.

TAGARA

Each 500mg capsule contains	
Tagara (<i>Valeriana wallichii</i>) Extract	500 mg

BENEFITS :-

- Help in managing primary hypertension
 - Improve brain functions like memory and IQ
 - Helps in Management of Insomnia
 - Natural Antioxidant
 - Balances the vata
- Dosage :** One capsule twice a day after meals or as directed by the physician.

TRIPHALA

Each 500mg capsule contains	
Triphala (<i>Amla, Harad, Beheda</i>) Extract	500 mg

BENEFITS :-

- Balances tridosha
 - Relieves constipation
 - Potent Detoxifier
 - Nourishes or restores the nervous system
 - Removes excess fat
 - Boosts immune system
 - Delays aging
 - Improves or aids digestion
 - Increases insulin sensitivity
 - Posses Antifungal, Antibiotic, antiviral effect.
- Dosage :** One capsule twice a day after meals or as directed by the physician.

WHEAT GRASS

Each 500mg capsule contains	
Wheat grass (<i>Triticum aestivum</i>) Extract	500 mg

BENEFITS :-

- Helps in weight Management
 - Beneficial in relieving nausea
 - Provides relief from constipation
 - Treats skin diseases
 - Stimulates circulation
 - Reduces fatigue
 - Reduces food cravings
 - Promotes youthful glow
- Dosage :** One capsule twice a day after meals or as directed by the physician.

GREEN COFFEE

Each 500mg capsule contains	
Green Coffee (<i>Coffea canephora</i>)	500 mg

BENEFITS :-

- Supports Appetite Suppression & weight management
 - Helps as Immunity Booster and Anti-oxidant
 - Supports Low Lipid Levels, Blood Circulation & may help fat burning
 - Helps to boost metabolism naturally
 - Improved digestive health
 - Elevated antioxidant levels
 - Improves mood
 - Provides ease from nausea, jitters and headaches
- Dosage :** One capsule twice a day after meals or as directed by the physician.

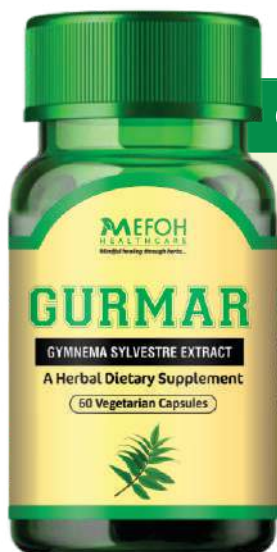

CINNAMON

Each 500mg capsule contains	
Cinnamon (<i>Cinnamomum verum</i>) Extract	500 mg

BENEFITS :-

- Controls blood sugar level
 - Eases stomach flu
 - Helps to reduce inflammation
 - Supports immune function,
 - Increases cognitive function
 - Aids weight loss
 - Prevents tooth decay and gum diseases.
 - Treats cold, sore throat and cough
 - Prevents type 2 diabetes
- Dosage :** One capsule twice a day after meals or as directed by the physician.

GURMAR

Each 500mg capsule contains	
Gurmara (<i>Gymnema sylvestre</i>) Extract	500 mg

BENEFITS :-

- Supports healthy blood sugar
 - Control diabetes
 - Support metabolic health
 - Good for digestive health
 - Effective management of diabetes
 - Purifies blood naturally
 - Helps in weight management
 - It has antioxidant properties that stimulate immune functions
 - It helps to promote liver and kidney health
 - Flushing out toxins from body
- Dosage :** One capsule twice a day after meals or as directed by the physician.

SINGLE HERBS CAPSULES

TRIKATU

Each 500mg capsule contains

Trikatu (Zingiber officinale, Piper longum and Piper nigrum fruit) 500 mg

BENEFITS :-

- Relieves muscle spasms.
- Enhances liver performance and protect it from diseases
- Enhance the absorption of food and the digestive system
- Facilitates better digestion..
- Reduces joint pain and inflammation
- Alleviates the symptoms of nausea and vomiting
- Reduces bloating or flatulence.
- Improving the pH levels of the stomach.
- Prevents the growth of germs.

Dosage : One capsule twice a day after meals or as directed by the physician.

TULSI

Each 500mg capsule contains

Tulsi (Ocimum tenuiflorum) Extract 500 mg

BENEFITS :-

- Relieves stress
- Boosts immunity
- Provides valuable protection against cough-cold
- Promotes healthy metabolism
- Anti-viral, anti-bacterial and anti-inflammatory properties
- Manages blood sugar levels
- Improves respiratory conditions
- Improves overall digestive health

Dosage : One capsule twice a day after meals or as directed by the physician.

PANCH TULSI RAS

Each 10 ml. contains :

Ocimum sanctum	2 ml.
Ocimum gratissimum	2 ml.
Ocimum cancum	2 ml.
Ocimum basilieum	2 ml.
Ocimum citridorum	2 ml.
Excipients	q.s.

BENEFITS

- Sore throat
- Skin & eye disorders
- Cough & cold
- Signs of ageing
- Chronic fever
- Diabetes
- Constipation
- Stress
- Acidity
- General diabetes

Dosage : 3-5 drops twice or thrice a day mixed in half glass (100ml) of water or as directed by the physician.

ENHANCES IMMUNITY

JUICES

ALOE VERA, AMLA & WHEATGRASS

Ingredients : Each 100ml contains :
 Aloe Vera (*Aloe Barbardensis*) Lt. : 40% w/v
 Amla (*Phyllanthus emblica*) Fr. : 40% w/v
 Wheat grass (*Triticum aestivum*) Aerial part: 10% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Improves digestion
- Strengthens hair follicles
- Nourishes the skin & hair
- Powerful anti-oxidant & boosts immunity
- Stabilizes blood sugar levels
- Reduces stress & High BP
- Has anti-ageing properties

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

IMPROVES DIGESTION & GUT HEALTH

AMLA, ASHWAGANDHA & BHRINGRAJ

Ingredients : Each 100ml contains :
 Amla (*Emblica officinalis*) Fr. : 40% w/v
 Bhringra (*Eclipta alba*) Wb.Fr. : 30% w/v
 Ashwagandha (*Withania somnifera*) Rt. : 20% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Reduces hair fall
- Promotes natural hair growth
- Combats hair thinning
- Promotes immune function
- Nourishes hair naturally
- Delays ageing
- Promotes strong nails

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

HAIR REVITALIZER COMBO

GILOY, PAPAYA & KIWI

Ingredients : Each 100ml contains :
 Giloy (*Tinospora cordifolia*) Lt. : 70% w/v
 Papaya (*Carica papaya*) Lt. : 20% w/v
 Kiwi (*Actinidia deliciosa*) Ft. : 10% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Rich in antioxidant properties
- Supports Immune system
- Detoxifies the body
- Alleviates inflammation
- Recovery from prolonged illness
- Reduces oxidative stress
- Enhances metabolism

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

IMMUNITY BOOSTER

MORINGA

Ingredients : Each 100ml contains :
 Moringa (*Moringa oleifera*) Lt. : 98% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Detoxification
- Great for joint pain
- Normalizes blood sugar
- Boosts energy & combats fatigue
- Strengthen immune system
- Treats anemia
- Protects cardiovascular health

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

POWER HOUSE OF MINERALS & ANTIOXIDANTS

NEEM, KARELA & JAMUN

Ingredients : Each 100ml contains :
 Neem (*Azadirachta indica*) Lt. : 40% w/v
 Karela (*Morinda charantia*) Fr. : 30% w/v
 Jamun (*Syzygium cumini*) Fr. : 20% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Improves appetite
- Supports metabolic health
- Purifies blood naturally
- Act as an antioxidant
- Maintains healthy liver functioning
- Detoxifier
- Treats diabetes

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

KEEPS SUGAR LEVEL IN CHECK

NONI & GARCINIA CAMBOGIA

Ingredients : Each 100ml contains :
 Noni (*Morinda citrifolia*) Dr. Fr. : 90% w/v
 Vitakambha (*Garcinia Cambogia*) : 10% w/v
 Excipients q.s.
Permitted class II preservatives

BENEFITS

- Reduces arthritis and muscle spasms
- Aids weight loss & boosts metabolism
- Improves digestion and gut health
- Lowers bad cholesterol
- Boosts immune system
- Potent detoxifier
- Regulates blood pressure

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

NATURAL METABOLISM BOOSTER

JUICES

SEA BUCKTHORN

Ingredients : Each 100ml contains :
 Sea Buckthorn (*Hippophae*) Pulp : 98% w/v
 Excipients Q.S.
Permitted class II preservatives

BENEFITS

- Supports heart health
- Heals acne scars
- Treats stomach ulcer
- Boosts immunity naturally
- Controls blood sugar
- Reduces inflammation
- Enhances eye vision

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

ANTI OXIDANT & ANTI INFLAMMATORY

TRIPHALA

Ingredients : Each 100ml contains :
 Amla (*Phyllanthus emblica*) Fr. 40% w/v
 Harad (*Terminalia chebula*) Fr. 10% w/v
 Baheda (*Terminalia bitorquata*) Fr. 10% w/v
 Excipients Q.S.
Permitted class II preservatives

BENEFITS

- Balances Tridosha
- Relieves constipation
- Improves Vision
- Removes excess fat
- Boosts immune system
- Possess antifungal, antibiotic effect
- Delays aging

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

POTENT DETOXIFIER

SHILAJIT & ASHWAGANDHA

Ingredients : Each 100ml contains :
 Shilajit (*Asphaltum Panjabianum*) Pd. 80% w/v
 Ashwagandha (*Withania somnifera*) Rt. 10% w/v
 Excipients Q.S.
Permitted class II preservatives

BENEFITS

- It has spermatogenic effect
- Works as an aphrodisiac
- Improves Brain Functioning
- Strengthens the bones & increases stamina
- Energize & rejuvenates the body
- Enhances Testosterone Level
- Contributes to overall vitality

DIRECTIONS : First shake well. Mix 30ml in a glass of water then drink it.

FOR HEALTH & VITALITY

WIDE RANGE OF HERBAL JUICES

CONSTIROL

Composition :

Each 100 gm contains

Senna (<i>Cassia angustifolia</i>) Lf	35 gm
Triphala Fr	10 gm
Saunf (<i>Foeniculumvulgare</i>) Fr	5 gm
Ajwain (<i>Trachyspermumammi</i>) Sd	5 gm
Gulab (<i>Rosa</i>) Fl	3 gm
Kala namak (<i>Black salt</i>)	7 gm
Kali mirch (<i>Piper nigrum</i>)	3 gm
Heeng (<i>Ferulaassa-foetida</i>)	3 gm
Lawang (<i>Syzygium aromaticum</i>) Bud	3 gm
Jeera (<i>Cuminum cyminum</i>)	3 gm
Jaiphal (<i>Myristica fragrans</i>)	3 gm
Kachur (<i>Curcuma zeodara</i>)	3 gm
Nisoth (<i>Operculina turpethum</i>)	3 gm
Vaidanga (<i>Embelia ribes</i>)	3 gm
Kala dana (<i>Pomea hederacea</i>)	5 gm
Mulethi (<i>Glycyrrhiza glabra</i>) Rz	3 gm
Naushadar (<i>Ammonium chloride</i>)	3 gm

INDICATIONS :

- Acute and chronic constipation
- Irritable bowel syndrome
- Hepatic encephalopathy
- Dyspepsia
- Hard stools
- Abdominal bloating

BENEFITS :

- Smoothens stools
- Flushes out blocked colon
- Improves gut health

PILES**

ESSENTIAL OILS

ALMOND

Ingredient :
Almond oil (*Prunus dulcis*) 95% w/v
Base q.s.

BENEFITS :
It is a natural emollient, making it an excellent moisturizer for the skin. It helps to lock the moisture, leaving the skin soft and hydrated.

Almond essential oil is rich in anti-oxidants, such as vitamin E, which can help combat free radicals and protect the skin from premature aging and wrinkles.

It contains anti-inflammatory properties that can help reduce skin irritation and redness, making it suitable for sensitive and irritated skin.

Directions of use :

For Hair

For Skin

AMLA

Ingredient :
Amla (*Phyllanthus emblica*) 95% w/v
Base q.s.

BENEFITS :
Brightens the skin and even out skin tone. Its nourishing properties can deeply moisturizes the skin, providing relief to dry and dehydrated skin.

Regular application of amla oil can help reduce dark spots, blemishes, and hyper pigmentation.

Directions of use :

For Hair

For Skin

JOJOBA

Ingredient :
Jojoba (*Simmondsia chinensis*) 95% w/v
Base q.s.

BENEFITS :
It nourishes and hydrates the skin, promoting a soft, smooth, and radiant complexion.

Its non-comedogenic properties make it suitable for all skin types, even those with acne-prone or sensitive skin.

Directions of use :

For Hair

For Skin

CINNAMON

Ingredient :
Cinnamon (*Cinnamomum verum*) 95% w/v
Base q.s.

BENEFITS :
Cinnamon essential oil is renowned for its antibacterial and antimicrobial properties, making it effective in combating acne-causing bacteria and reducing the occurrence of blemishes.

Its stimulating nature can also boost blood circulation to the skin, helping to rejuvenate dull complexion and promotes a healthy glow & slow down the sign of aging.

Directions of use :

For Hair

For Skin

ROSEMARY

Ingredient :
Rosemary (*Salvia rosmarinus*) 95% w/v
Base q.s.

BENEFITS :
It is rich in antioxidants that can help protect the skin from damage caused by free radicals.

It may also have antimicrobial properties that can assist in managing skin conditions like acne and eczema. 100% Pure & Natural. Premium Therapeutic Grade

Directions of use :

For Hair

For Skin

LAVENDER

Ingredient :
Lavender (*Lavandula latifolia*) 95% w/v
Base q.s.

BENEFITS :
Lavender oil has antiseptic and anti-inflammatory properties, making it beneficial for various skin conditions.

It can help soothe minor skin irritations, reduce redness, and support the healing process. Also can help remove dead skin cells, revealing a brighter and more even complexion.

Directions of use :

For Hair

For Skin

TEA TREE

Ingredient :
Tea Tree (*Melaleuca alternifolia*) 95% w/v
Base q.s.

BENEFITS :
Unclogs skin pores and reduces acne breakouts
Helps delay skin ageing; reduces wrinkles and fine lines
Lightens dark spots, pigmentation and blemishes

Directions of use :

For Hair

For Skin

Ingredient :
Eucalyptus (*Eucalyptus globulus Labill*) 95% w/v
Base q.s.

BENEFITS :
Its antibacterial and anti-inflammatory properties can aid in reducing acne and blemishes, soothing redness and irritation.

Provide relief from skin irritations, such as insect bites or minor burns.
Eucalyptus oil can be beneficial in combating fungal skin infections, like athlete's foot or ringworm
Soothes sunburn and redness

Directions of use :

For Hair

For Skin

ESSENTIAL OILS

CLARY SAGE

Ingredient :
Clary Sage (*Salvia sclarea*) 95% w/v
Base q.s.

BENEFITS

It is also used in skincare products for its potential benefits in promoting a healthy complexion.
It can help soothe irritated skin, balance oil production, and support overall skin health.

Directions of use :

For Hair

STEP 1	STEP 2	STEP 3
Mix 3-6 drops in 10 ml carrier oil & rub it gently.	Massage it on your scalp. Leave it on for 2-3 hours.	Then wash it with a mild shampoo under cold water.

For Skin

STEP 1	STEP 2	STEP 3
Mix 2-3 drops in 1ml carrier oil & rub it gently.	Massage it on your face. Leave it for overnight.	Then wash it with a mild cleanser under cold water.

YLANG YLANG

Ingredient :
Ylang Ylang (*Cananga odorata*) 95% w/v
Base q.s.

BENEFITS

Ylang ylang oil possesses natural antiseptic and anti-inflammatory properties, making it beneficial for promoting skin health.
It can help soothe irritations, balance skin moisture, and support a radiant complexion.
It can moisturize and soften the skin, leaving it feeling smooth and supple.
It can promote skin elasticity, making it useful in reducing the appearance of fine lines and wrinkles.

Directions of use :

For Hair

STEP 1	STEP 2	STEP 3
Mix 3-6 drops in 10 ml carrier oil & rub it gently.	Massage it on your scalp. Leave it on for 2-3 hours.	Then wash it with a mild shampoo under cold water.

For Skin

STEP 1	STEP 2	STEP 3
Mix 3-6 drops in 1ml carrier oil & rub it gently.	Massage it on your face. Leave it for overnight.	Then wash it with a mild cleanser under cold water.

CARROT SEED

Ingredient :
Carrot Seed (*Carota sativa*) 95% w/v
Base q.s.

BENEFITS

Reduces the appearance of fine lines and wrinkles
Enhances skin tone and complexion
Moisturizes and hydrates the skin
Supports skin cell regeneration
Soothes skin irritations
Protects against environmental damage
Supports skin detoxification
Enhances skin elasticity
Natural antiseptic properties

Directions of use :

For Hair
